Report*

Greetings Brothers,

Since 1920, the Brothers of Phi Beta Sigma Fraternity, Inc. Zeta Sigma Alumni Chapter have responded to our Fraternity's motto: "Culture for Service and Service for Humanity". I believe in the power of Brotherhood and collaborative membership. I believe that all Brothers should be Engaged, Encouraged and Involved in the process of making Sigma a better organization for fellow Brothers and our community.

During our chapter's 90 years of service to Phi Beta Sigma Fraternity, the Eastern Region and the Greater Baltimore Community, we have been leaders in our cause. Zeta Sigma Chapter has proudly produced: two International President, seven Distinguish Service Chapter (DSC) members, six Eastern Regional Directors and currently the Eastern Regional Director of Bigger and Better Business. Additionally, we also are proud to have members of our chapter become the Founders of the Fraternity's Sigma Beta Club and Sigma Club 100.

As president of our beloved Zeta Sigma Chapter, I fully support our continued commitment of "Fostering a Culture of Integrity, Accountability and Excellence in all we do," It is our duty to be prudent stewards of our Founder's Dream of Brotherhood, Scholarship, and Service.

It is only with your help that I can execute a vision that is inclusive of Alumni, Collegiate, and Neophyte Brothers. This inclusive group of Brothers will help make our chapter and community stronger for all those who believe in the principles of Phi Beta Sigma.

Fraternally,

Bro. Terance L. Edwards, President
Zeta Sigma Alumni Chapter
